Fireside Chair Range

The Drive DeVilbiss range of high back fireside chairs and footstools have been designed to offer the perfect combination of style, comfort and durability.

The high back and elegant padded wings provide extra support, comfort and protection against draughts for the head, neck and shoulders.

Available in a range of beautiful classic and contemporary colourways, our fabrics are treated to protect against the majority of spills and stains, keeping the chairs not only looking great, but performing well for prolonged use.

- ▶ Seat cushions are reversible for even wear and are easily removed for cleaning
- ▶ Fine fillings ensure that you are nestled in comfort
- ▶ All fabrics and foams meet the relevant UK Furniture and Fire Regulations
- ▶ Built on the sturdiest of frames for maximum stability, providing years of lasting comfort and support
- ▶ Manufactured in the UK

Fabric Colours:

Wooden knuckles for an easy grip

Jubilee Chair

The Jubilee Chair has a hand-built hardwood frame for stability and durability. It is beautifully compact, perfect for where space is at a premium. It's classic styling will suit most room settings and the firm back and seat cushions provide optimum back, neck and head support.

Classic wooden knuckles and hand grips ensure that the user can rise from the chair with ease without causing additional wear to the fabric.

- ▶ Compact space-saving solution
- ▶ High back and padded wings for extra support
- ▶ Wooden knuckles for an easy grip
