

# NRS Bedguard

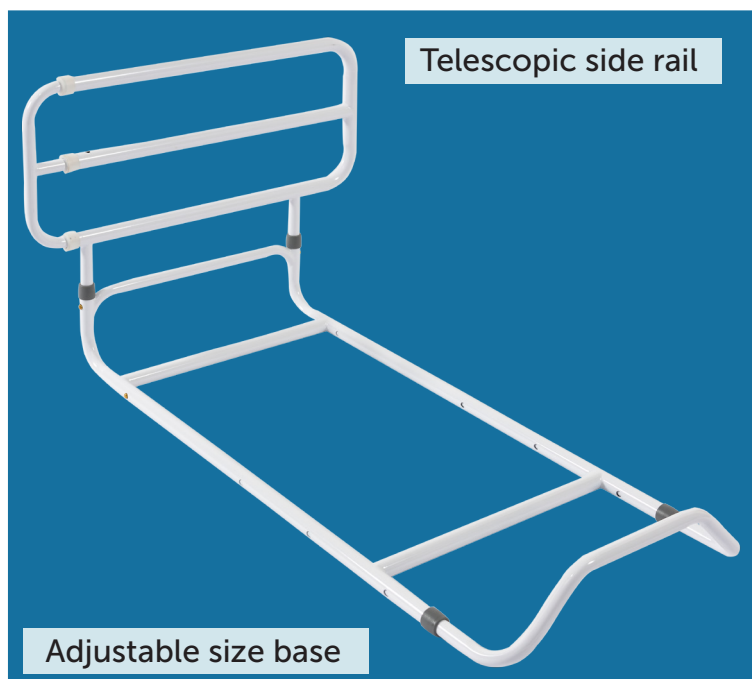

**Product Code: P42434**

Designed with carer convenience and client safety in mind, the NRS Bedguard is ideal for people who may be at risk of falling out of bed. It's easy to fit, adjust and does not cause an obstruction to carers or clients when transferring, or when moving and handling tasks are undertaken.

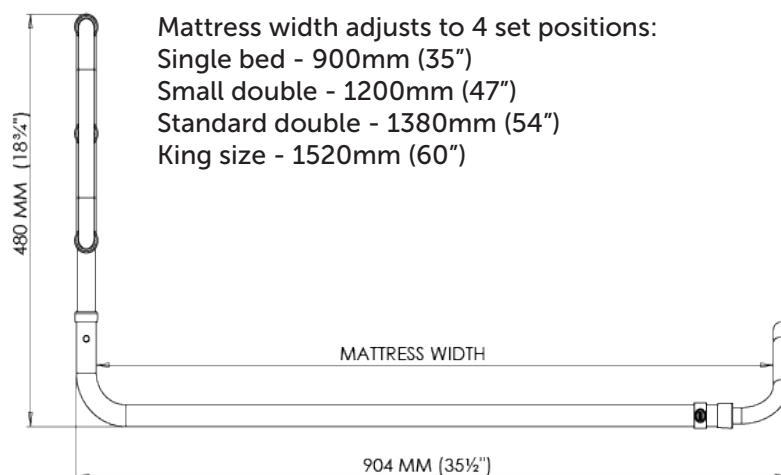

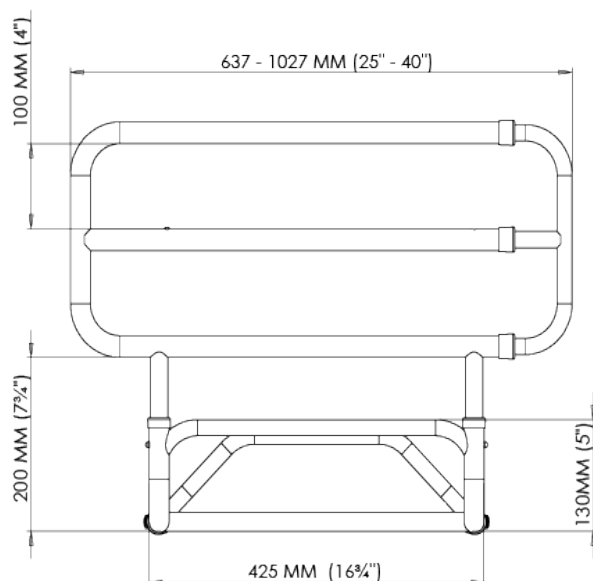

## Key Features

- Extendable and retractable side rail to give easier carer access and makes transferring in and out of bed easier
- Side rail detaches from base when it's in place, to allow bedding changes
- Base adjusts in width to four set positions, to fit single to king size mattresses
- Suitable for most divan and slatted beds
- Easy assembly
- Lightweight, steel frame
- Handy net cover with storage pockets
