

Wheeled Commodes - Height Adjustable

Description	Product Code
Wheeled Commode - Height Adjustable - Powder Coated	S30063
Wheeled Commode - Height Adjustable	M66119

Features and Benefits

- Backrest with welded seams and removable padded seat for comfort and easy cleaning
- Brakes on each castor for optimum stability when locked
- Adjustable leg height and footrests to suit different users
- Works as a commode or can be set over an existing toilet
- Metal, plastic and vinyl parts for durability and ease of cleaning
- Detachable footrests and armrests for easy transfers

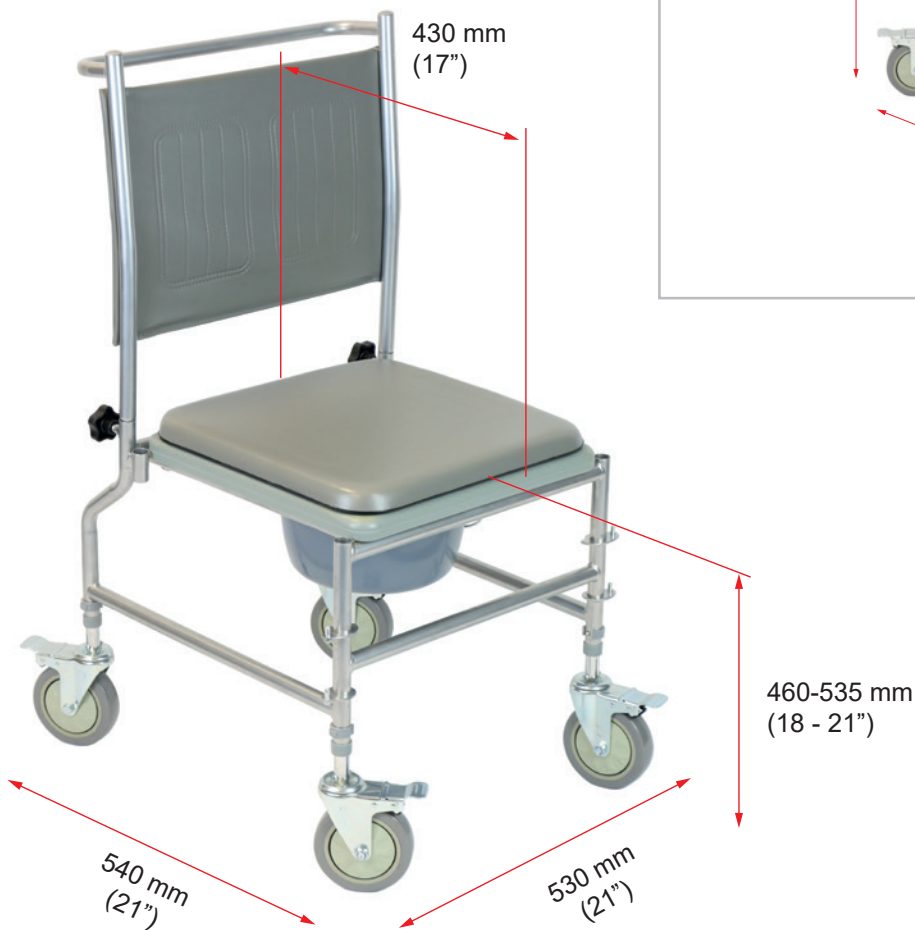

Wheeled Commodes - Height Adjustable

Product Description

A choice of identical commodes but with two different surface finishes. S30063 has a powder-coated finish while M66119 has a chrome plating. These robust commodes combine mobility with hygiene. The padded seat and commode pan may be removed so that the commode can be wheeled over a fixed toilet. Simple button-clip fixings, threaded hand wheels and E-clips allow easy assembly and adjustment of overall height. The commode includes a small spanner for footrest adjustment.
