Dycem® non-slip ©

Dycem Non-slip mats provide an unbeatable grip for many items and have been proven to grip up to a 45 degree angle. Keep your things secure by using them on a range of surfaces.

These easy to use Non-slip mats are anti-microbial, making them very hygienic, are non-toxic and do not contain any latex. Our anti-slip mats have so many uses that you will struggle to find a place that you can't use them.

Instructions for Use and Care:

1   Remove outer packaging and paper covering from the Mat.

2   Place on any clean dry surface where you need a stable, non-slip surface.

3   Can be used underneath plates, chopping boards and mixing bowls.

4   To clean your Dycem Non-Slip Mat, wash with warm, soapy water and allow to drip-dry. Alternatively, use Dycem alcohol cleaning wipes, for instant clean and reuse.

5   Please do not subject to temperatures over 50 degrees Celsius or place into a dishwasher or microwave.
