- Catch locks for added security
- High density foam padding with vinyl covering for comfort
- Metal, plastic and vinyl covered parts for durability and ease of cleaning

Dovedale Folding Commode

Product Description

A lightweight folding commode that combines comfort, easy transport and hygiene. The padded seat, backrest and armrests provide excellent comfort for the user. The simple folding design with a removable potty allows easy transport. A pair of catch locks help to lock the commode when unfolded for added security. Vinyl coverings provide easy-clean surfaces. The commode needs no assembly other than unfolding, then fitting the potty before use - so no tools needed.

Note: The potty does not fit to the chair when folded.

Product Technical Details
