

# User Instructions

## L96738 - Wide Shower Stool

## L96749 - Extra Wide Shower Stool

Maximum  
User Weight  40st  
254kg

### General Safety Warning

Please ensure these instructions are fully read and implemented. Failure to do so may result in injury to the user. Retain in a safe place for future reference.

### Intended Use

The Wide and Extra Wide Shower stools are intended to provide a comfortable, stable, seat for larger users who are unable to stand during showering. The Wide shower stool is designed to be suitable for use with most standard shower trays.

### Safety Precautions

- Do not exceed the maximum user weight limit of 254Kg (40st).
- Ensure an even floor surface to avoid rocking.
- Inspect product at regular intervals for wear and damage.
- Do not use if you see, or suspect a fault.

### Instructions for Use

Height Adjustment: To adjust the stool to the desired height;

1. Firstly remove the e-clips connecting the stools' legs and leg extensions.
2. Slide the leg extensions to the required position ensuring that all legs are equal in height.
3. Replace the e-clips ensuring that each clip is fully inserted into the tube.

### Cleaning Instructions

Clean regularly, wipe with a mild detergent/ disinfectant solution. Do not use abrasive cleaners or cloths on this product. Note: These stools are suitable to be cleaned in commercial high temperature washing machines.
