Home Helper Trolley - Grey

Product Description

A sturdy but lightweight mobile frame to help users transfer items and meals around the home. The frame has two trays, the lower of which is set forward to allow users to walk naturally when pushing. Each leg of the frame has a castor assembly that allows height adjustment, maximising comfort for different users. Simple button-clips and E-clips allow quick and easy assembly, needing no tools. Each tray simply clips to the frame for easy removal for more thorough cleaning. Each tray has raised edges to help contain items. We also supply spare trays in case of loss or damage.
