

USER INSTRUCTIONS

DOVEDALE COMFORT COMMODE

S02225

Dovedale Comfort Commode

⚠ GENERAL SAFETY WARNING ⚠

Please make sure that you read and follow these instructions carefully. Keep these instructions in a safe place for future reference.

MAXIMUM USER WEIGHT

1. INTENDED USE

To assist those who have difficulty in accessing or using a standard toilet. For additional comfort, the Dovedale Comfort Commode has padded armrests, a hinged padded foam vinyl toilet seat and vinyl lift-off vanity cover.

2. SAFETY

WARNING: The maximum user weight must not be greater than 20 st / 127 kg.

YOU MUST inspect the commode frame and fixings at regular intervals for wear and damage. If damage is found, stop using the commode and contact your supplier immediately for advice.

DO NOT use the vinyl vanity cover as a seat, it should only be used as a cover.

ALWAYS use with the backrest fitted. Do not lean backward, this can cause the commode to tip over.

MAKE SURE all legs are all at the same height.

3. UNPACKING

Remove the packaging and check all parts carefully. Contact your supplier immediately if parts are missing or damaged and do not try and assemble.

3.1 Contents:

1. Side Frame x 2
2. Back Rest Assembly x 1
3. Toilet Seat x 1
4. Seat Frame x 1
5. Vinyl Vanity Cover x 1
6. Legs x 4
7. Commode Pan and Lid x 1
8. E-clips x 4

4. ASSEMBLY

4.1 Fitting the Toilet Seat to the Seat Frame

Clip the toilet seat to the rear crossbar on the seat frame.

4.2 Fitting the Backrest Assembly:

Slide the backrest assembly into the seat frame assembly.

Push and hold the backrest assembly button-clips, then push the backrest assembly into the seat frame until the button-clips click into position in the holes.

Note: Make sure that the button clips have fully engaged the holes.

4.3 Fitting the Legs to the Side Frame:

Insert the legs into the side frame and secure with 2 x E-clips.

Repeat the process for the other side.

Note: Make sure that all legs have been adjusted to the same height.

4.4 Fitting the Side Assembly to the Seat Frame:

Slide the side assembly into the seat frame assembly.

Push and hold the side assembly button-clips, then push the side assembly into the seat frame until the button-clips click into position in the holes.

Repeat the process for the other side.

Note: Make sure that the button clips have fully engaged the holes.

4.5 Fitting the Commode Pan

Lift and hold the toilet seat to the raised position.

Place the commode pan onto the retainers, on either side of the seat frame.

Check that the commode pan is fully secure before use.

4.6 Fitting the Vinyl Vanity Cover

Note: The toilet seat must be in the lowered position before fitting the vanity cover.

Place the vanity cover onto the toilet seat.

4.7 Adjusting the Height

Note: You should remove the vanity cover and commode pan before adjusting the height.

To adjust the commode height, remove the E-clips, then slide each leg to the required height.

Align the adjustment holes and replace the E-clips.

Note: Make sure that all legs have been adjusted to the same height before use.

5. IN USE

Note: To avoid trip hazards, be mindful of the positioning of the product, in relation to other items within the room. Ideally the product should be placed with the back of the commode against a wall.

5.1 Using the Commode

Remove the vinyl vanity cover and commode pan lid to use the commode.

Use the commode arms to assist in the raising and lowering, to and from the seated position.

5.2 Removing the Commode Pan

Remove the vinyl vanity cover.

Lift and hold the toilet seat to the raised position.

Fix the lid onto the commode pan to avoid spills or splashing.

Using the commode pan handle, carefully lift the commode pan free of the seat frame assembly.

Dispose of the contents into an appropriate sluice or WC.

WARNING: Never use an open drain, sink or basin, this could cause a serious health risk.

Clean out the residue with a suitable disinfectant, dry thoroughly and refit to the commode.

6. CLEANING

Please check the suitability of the cleaning products before use. Do not use abrasive cleaners or cloths as these could permanently damage the surface and invalidate any warranty.

Clean regularly using a general purpose, neutral detergent and warm water.

To disinfect, wipe with a dilute bleach solution, and rinse thoroughly with fresh water.

The commode pan and lid can be autoclaved at 80°C.

Allow product to fully dry prior to use/storage.

7. MAINTENANCE

Check the seat, legs and frame for damage at regular intervals.

WARNING: Do not use the product if the seat, legs or frame are damaged in any way.

Please contact your supplier if you require assistance with the maintenance of the commode. Incorrect adjustments can result in serious injury.

8. ACCESSORIES & SPARE PARTS

P57887: Spares Kit (4 x E-clip & 4 x Ferrule).

M11193: Spare Commode Pan and Lid.

P42639: Abena Abri-Bag Commode Liner.
