PTDS027 N98724 Male Urinal

Cleaning

- Clean regularly, using a general purpose, neutral detergent and warm water.
- Please check the suitability of the cleaning product before use. Do not use abrasive cleaners or cloths as this will permanently damage the surface and invalidate any warranty.
- To disinfect, wash with a dilute bleach solution, and rinse thoroughly with fresh water.
- Allow product to air dry thoroughly prior to use or storage.

Care & Maintenance

- Check for general wear or damage. Any damage should immediately be reported to the supplier and the product taken out of service.
