

USER INSTRUCTIONS

NRS SHOWER STOOL WITH SWIVEL SEAT

M99138

NRS Shower Stool with Swivel Seat

⚠ General Safety Warning ⚠

Please make sure that you read and follow these instructions carefully. Keep these instructions in a safe place for future reference.

1. INTENDED USE

This sturdy height adjustable stool is for use in a shower. It has a swivelling seat to enable the user to sit and easily position themselves. The seat can be easily removed for cleaning.

2. SAFETY

Warning: The maximum user weight must not be more than 127Kg (20st).

Floor surfaces must be level and even to avoid rocking.

All four ferrules must be in contact with the floor at all times.

Periodically check all legs for total movement.

Ensure the seat is securely fixed

Do not exceed the maximum user weight limit.

Inspect at regular intervals for wear and damage.

3. UNPACKING

Remove the packaging and check all parts carefully. Contact your supplier immediately if parts are missing or damaged and do not try and assemble.

Maximum User Weight

3.1 Contents:

1. Seat x 1
2. Legs x 4
3. Leg Extensions x 4
4. Plastic Wing Nut x 1

4. ASSEMBLY/INSTALLATION

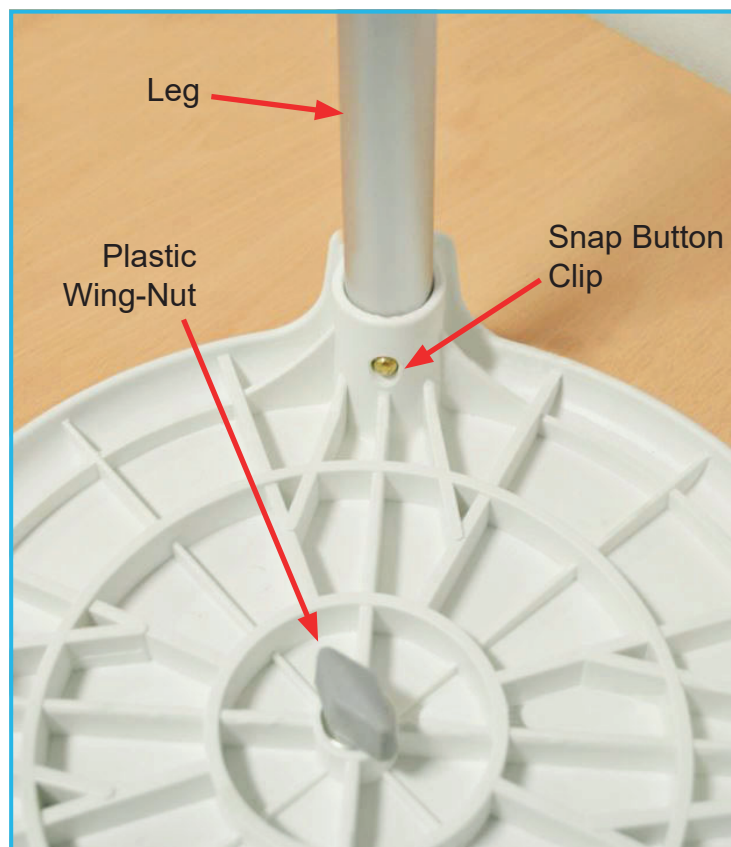

Figure 1:

With the seat upturned push the legs into the seat orifices, as shown in Figure 1 making sure the button clips, snap into position.

Check the legs are rigid and do not move.

Fit the Leg Extensions into the legs, again make sure the button clips snap into position.

Adjust the seat to the desired height by sliding the leg extensions, make sure all the extensions are at the same height.

Note: Make sure all button clips have fully engaged the holes and the seat is fully secure before use.

5. IN USE

Place in shower. Ensure all four legs are level and in contact with the shower floor.

Sit centrally on the shower stool.

6. CLEANING INSTRUCTIONS.

Clean regularly, wipe with a soft cloth and a mild detergent/disinfectant solution. Do Not use abrasive cleaners.

Note: The swivelling part of the seat can be removed for cleaning by removing the plastic wing nut, as shown in Figure 1.

7. PRODUCT DISPOSAL

This product must be thoroughly cleaned/sterilised prior to disposal.

This product is manufactured from metal and plastic and can be disposed of through Local Authority Household Waste and Recycling Centres or through Local Trade Waste Collectors.
