

## Product Technical Data Sheet 087

### Combi Grabber Range

#### Product Range

N72358	Combi-Grabber 26"
N72369	Combi-Grabber 32"

#### Product Description & Intended Purpose

The Combi-Grabber is ideal for picking up everyday items around the home for those who have difficulty bending or reaching. The four finger trigger action is suitable for those with limited grip and removes risk of skin traps. The 90° turning jaws helps reduce the need to rotate the wrist.

#### Product Features

- Textured rubber grip with four finger trigger for added ease and comfort.
- Anti slip jaws for a tighter hold of objects.
- Jaws rotate through 90° to aid picking angle.
- Clip to attach to walking frame.
- Lightweight aluminium construction.

#### Technical Specification

<b>Length:</b>	N72358 - 660mm (26")	<b>Weight:</b>	N72358 - 253g (9oz)
	N72369 - 813mm (32")		N72369 - 281g (10oz)

#### Safety Precautions

- Do not pick up heavy items (greater than 450g / 1 Lb)
- Do not pick up hot items.
- Ensure object is firmly gripped before attempting to lift.
- Store product in a safe place after use.

## PTDS087 Combi-Grabber Range

### Cleaning

- Clean using a neutral detergent and warm water.
- Please check the suitability of the cleaning products before use. Do not use abrasive cleaners or cloths as these could permanently damage the product and invalidate any warranty.
- Allow product to dry thoroughly before use or storage.

### Care & Maintenance

- Check the trigger action is functioning correctly.
- Check the 90° rotation is operating smoothly.
- Check the condition of the rubber jaws.
- Inspect the product regularly for signs of wear. Any suspected faults or damage should immediately be reported to the supplier and the product taken out of use.

### Accessories

None

### FAQ's

- Is the Combi-Grabber easy to operate?

*The Combi-Grabber has a hand grip which is 6cm wide at its widest point and is deep enough for all four fingers to wrap around and grip. Squeezing the trigger closes the jaws of the grabber.*
