

TENA MEN ACTIVE FIT SHIELD AND PROTECTORS

FeelDry Advanced™ helps you maintain natural skin health

TENA Men Active Fit Shield and Protectors are available in a range of absorbencies for light incontinence. Engineered to fit the male form, ensuring maximum security and discretion. The adhesive strip secures the pad in position with tight fitting underwear. The soft material is gentle to the skin and completely noise free. Odour neutralisers are within the product for 100% discretion.

3 x Protection - Protection from leaks, odour and moisture

100% discreet - Discreet with thin and light design

Secure Absorption Zone - Locks in leaks efficiently

Engineered for a man's body - Comfortable soft cup-shape

New more sustainable material - (biomass-balanced PE)
10% less plastic on SW

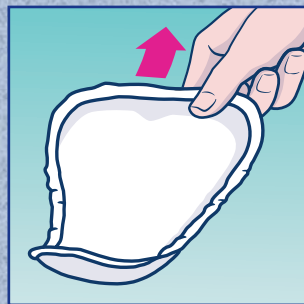

Stay in place - Adhesive strip to best stay in place in men's underwear

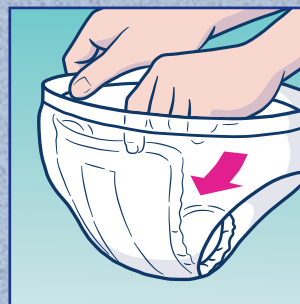

TENA MEN FITTING GUIDE

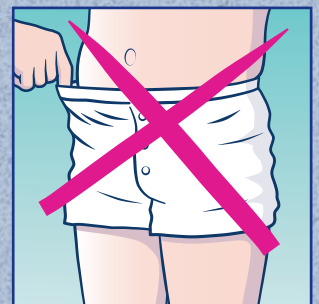

Open the TENA Men packaging and unfold the pad, removing the tab to expose the adhesive strip.

Make sure that the wider part of the pad is positioned upwards.

Place the pad in snug-fitting underwear so that the adhesive strip attaches to the inside front.

Do not use with loose-fitting underwear or boxer shorts.
